## ARGAN

<b>Functional analysis of the Tiznit province Argan value chain: Mapping linkages and stakeholders</b> <i>I. Arrahmouni, A. Benabdellah, M. Dehhaoui, F. Benchekroun</i> .....	429
<b>Effect of irrigation on the recovery of young argan plants after transplanting to the field</b> <i>A. Wifaya, A. Mimouni, F. Mokrini</i> .....	437
<b>Effect of age, clone heads, ramet position and IBA treatment on the rooting of Argan tree (<i>Argania spinosa</i> L. Skeels) cuttings</b> <i>R. Ait Hammou, S. Daoud, M.C. Harrouni</i> .....	446
<b>Application of the contingent valuation method to the Moroccan argan: Case of the Souss Massa National Park (PNSM)</b> <i>I. Arrahmouni, M. Benabdellah, K. Kashiwagi, M. Dehhaoui, F. Benchekroun</i> .....	454
<b>Evaluation of the contribution of argan tree to rural household income and comparison of its profitability in different production systems</b> <i>M. Benabdellah, N. Ibnezzyn</i> .....	459
<b>Contribution to the evaluation of the impact of the Argan oil sector on the empowerment of women's production cooperatives in the province of Tiznit</b> <i>M. Benabdellah, H. Salamat</i> .....	464

## NUTRITION AND FOOD TECHNOLOGY

<b>Survey on medicinal plant species traditionally used by Bambenga people: Pygmies of Dongo sector in Democratic Republic of Congo</b> <i>M.M. Mongeke, K. Ngbolua, R.D. Bakola, C.L. Inkoto, P.N. Elikandani, C.Y. Mouli</i> .....	469
<b>Microbiological quality of maize flour sold in the markets of Abidjan city</b> <i>E.B.Z. N'goran-Aw, J.K. Coulibaly, E.N. Assidjo, C. N'gatta</i> .....	476
<b>Refrigeration for preservation of the Moroccan date: Situation and physical analysis of the quality</b> <i>Y. Noutfia, H. Harrak, C. Alem, Y. Filali Zegzouti</i> .....	483
<b>Early maturation of figs with olive oil: Involvement of the ethylene signaling pathway</b> <i>M. Bidri</i> .....	489

## CROP PRODUCTION AND ENVIRONMENT

<b>Orchard management and inventory of Moroccan local varieties of fig (<i>Ficus carica</i> L.) in four main production sites, Chefchaouen, El Jadida, Ouezzane and Taounate provinces</b> <i>A. El Hajjam, A. Ezzahouani, E.A. Sehhar</i> .....	494
<b>Rational management of rainwater and water flows in the soil-plant-atmosphere system of High Cheliff catchment, Algeria</b> <i>M. Madi, M. Meddi, B. Abdesselam</i> .....	505

## CROP PRODUCTION AND ENVIRONMENT (CONT'D)

### **Behavior of five plant species of *Brachiaria* genus (Poaceae) in the ecological region of Kisangani city, Democratic Republic of Congo**

*M.D. Ngakpa, G. Monde-Te-Kazanbga, N.U. Nyongombe, J.P. Ngbolua Koto-Te-Nyiwa* ..... 515

### **Evaluation of the productivity of five species of tropical gramineous of *Brachiaria* genus in Kisangani city, Democratic Republic of Congo**

*M.D. Ngakpa, G. Monde-Te-Kazanbga, N.U. Nyongombe, J.P. Ngbolua Koto-Te-Nyiwa* ..... 521

### **Natural pastures on the outskirts of Lomé in Togo: Diversity, typology and forage quality**

*M. Dourma, L. Randrantoarimbola, Y.A. Woegan, M. Kanda, S. Akpavi, K. Akpagana* ..... 526

## CROP PROTECTION

### **Management of date palm Bayoud disease in Moroccan oases**

*A. Essarioui, H. Ben-Amar, S. Khoulassa, R. Meziani, A. Amamou, F. Mokrini* ..... 537

### **The rice crop (*Oryza sativa*) and its major phytosanitary problems: A focus on the Gharb region**

*A. Moinina, M. Boulif, R. Lahlali* ..... 544

### **Importance and distribution of the main citrus plant parasitic nematodes in Morocco**

*F. Mokrini, S. Janati, F. Abbad Andaloussi, A. Essarioui, A. Houari, M. Sbaghi* ..... 558

### **Impact of granivorous birds on the yield of rainfed rice (*Oryza sativa* L.) in Ubangi Province, DR Congo**

*J.B.Z. Bosanza, P.N. Bobuya, P.E. Dongo, B.N. Bunyele, B.N. Mukendi, K.T.N. Ngbolua* ..... 565

### **Integrated management of *Pentalonia nigronervosa* aphid by the push-pull strategy in Bengamisa region, DR Congo**

*M. Lofinda Lifake, T. Hance, G. Monde Te Kazanbga* ..... 569

### **Diversity assessment of Aphididae and their natural enemies in banana culture near border plants**

*M. Lofinda Lifake, G. Monde Te Kazanbga, T. Hance* ..... 575

## AGRICULTURAL AND RURAL ECONOMICS

### **Sustainability of agricultural project achievements in rural Isangi territory, DR Congo: Search for explanatory factors**

*B. Mokili Lilala, A. Billy Bolakonga Ilye, M. Benabdellah* ..... 581

### **Management of the irrigation system in oasis areas: Modeling by the game theory**

*F. Addi, F. Elame, O. Chadli* ..... 590
